Certificate of Nursery Inspection

The Department of Conservation, Division of Entomology

No. 566

Indianapolis, Indiana, January 24, 1934

THIS IS TO CERTIFY that the nursery stock grown by Linton's Dahlia Farm (Ira Linton) located at R. R. 5, Brazil, Indiana, consisting of three acres, has been inspected by the undersigned or his authorized representative, on January 24th, 1934, in compliance with Chapter 177, page 291, Indiana Acts of 1907, and has been found apparently free from destructively injurious insects and plant diseases.

This certificate covers **Gladiolus & Dahlias** and is valid, unless revoked for cause, until August 1, 1934.

Signed, FRANK N. WALLACE,
State Entomologist.

I hereby certify that the requirements for the treatment or elimination of diseased or infested trees and plants have been agreed to and the terms complied with in every detail, as a condition of the issuance of this certificate.

Signed, Linton's Dahlia Farm (By Ira Linton)
